

To: Acme Water Company
Bear River City, UT
Subject: Application for Water Stock Lease and Service

Date of Application _____

Applicant shall fill out this form and turn it to a company board member or the secretary. Applicant can send or bring this form, but must attend a meeting of the water company before water service will be initiated. Meetings of the company are held on the second Tuesday of each month at 7:00 pm at the Bear River City Civic Center. Applicant must demonstrate that he/she holds a valid building permit from Box Elder County or Bear River City before the water stock lease and service will be approved or provided. The application, once approved, remains conditioned on the applicant complying with the terms of the building permit, plan specifications as determined by the water board, including but not limited to beginning actual work before application expires. Application is valid for six (6) months from the original date of application.

_____ hereinafter called CUSTOMER, applies for a lease of _____ shares of ACME WATER COMPANY, (hereinafter called COMPANY) stock at a cost of \$ _____ per share for a total of \$ _____. Furthermore, CUSTOMER agrees to pay all installation costs associated with receipt of water services, but in no case less than \$ _____, plus an impact fee of \$ _____ based on the COMPANY'S current Capital Facilities Plan, to cover upgrades in the COMPANY system needed to supply water to the CUSTOMER and other like users. The water stock leased under the agreement shall be used for residential use only, on the premises located at: _____.

Installation of water lines will be made by COMPANY or COMPANY approved contractor to CUSTOMER'S property line where a meter box will be place. Meter box shall be placed at a point on the property line as agreed by CUSTOMER and COMPANY. COMPANY will thereafter supply culinary water service to CUSTOMER after CUSTOMER advances all required fees to the COMPANY.

In the event CUSTOMER desires to change the location of, raise or lower the meter after initial installation, CUSTOMER agrees to pay all costs associated with said work but in no case shall the meter be relocated without the express permission of COMPANY, which permission shall not be unreasonably withheld.

All work done on COMPANY property (water lines, meters, and meter boxes, etc) shall be done by COMPANY or a COMPANY approved contractor in compliance with COMPANY specifications. COMPANY will not extend service lines or provide hook-up beyond the existing designated service area of COMPANY.
